Message from our club President Vanessa Lambright “Building Bridges”

My fellow Grand Prairie Lions,

Greetings fellow Lions! I hope this newsletter finds you all happy, healthy and safe. What a beautiful weekend we have had to prepare and motivate us for a brand new week!

We've had a successful flag setup for President's Day! Thank you to all whom worked so hard to make this happen including our Leos! They worked very hard without a complaint or question even in the cold and rain. You all are amazing and are really the heart and soul that drives the future of Lions Club International. I would also like to say thank you for all of the birthday wishes that were sent my way.

If you are not aware our website is operational and is extremely helpful. Please visit www.gphostlionsclub.com and take a look around. The calendar will have most of the events taking place between our clubs as well as our sister clubs. You can also log your hours, order shirts, pay your dues and a whole lot more. ZOOM is also up and running. The login and password on below on this newsletter and will not change. I ask that you please login for our meetings if you are unable to attend in person even if you are unable to take part in the discussion, please login for our attendance.

Please make sure to view the live calendar as we have a lot of things coming up. TUESDAY is our Magic Show Fundraiser so please try to make it if you are able. This is a really fun event and we have plenty of free passes to hand out for any children that would like to attend. We also need volunteers to greet and make a showing for our club. I will be there and I hope to see many of you there as well. Family social is this week as well. Hope you all stay safe and warm and I hope to see you all this week!

Yours in Lionism,
GPHLC President

Vanessa Lambright
